Sunday, March 11th at 6:00 PM

The Vedas describe Lord Shiva with many names in Sri Rudram and other mantras. All our scriptures sing His glories in various ways. These are not just names, forms, stories and descriptions, but pointers to the magnificence of the Lord. In this month's satsang, we will relish some of these glories and also understand the significance of the process of rudrabhishekam and shiva puja.
